EXPERIENCE

The Shandy Clinic   **2019-Present**
Manager of Patient Administration   **Colorado Springs, CO**
Leading a growing team of 15 Patient Administrators to properly maintain schedules for 11 clinics, while ensuring the continued growth of the department and its members:
Key Accomplishments:
- Create and implement processes and procedures designed to improve overall clinic functionality.

- Maintain and uphold the Shandy Clinic's client attendance policy which allows the clinics to treat as many children as possible.
- Determine specific KPIs for decreasing client cancellation and increasing clinic productivity.

Tek Experts   **2018-2019**
Critical Situation Manager   **Colorado Springs, CO**
Maintain critical cases for high-profile executive customers who are experiencing technical difficulties which often led to a halt in production, or other cases at the top-most crisis level.
Key Accomplishments:
- Worked closely with software engineers to resolve a customer's problem with urgency.
- Coordinated communication between top engineers and representatives from the client companies.
- Compiled detailed reports describing the process for which the issue was resolved.
